Personal Statement

Please attach one page personal statement explaining why you want to do a fellowship in Academic General Pediatrics and/or Primary Care. Please include a description of your career goals, how the fellowship may assist you in achieving them, your scholarly/research interests, and how you envision your career five years after completion of this fellowship. You may want to include how past experiences have influenced your decision to apply and mention special areas of interest. (*Make sure your name appears on the attachment.*)

Attestation

I certify that the information contained in this application is complete and accurate to the best of my knowledge. I understand that any false or missing information may disqualify me from consideration for a position; or if employed, may constitute cause for termination from the program. I also understand and agree that the data included in this application may be shared within the fellowship programs to which I am applying.

I agree with the attestation.
