Kristina Malik, M.D.  
Jennifer Gomez, R.N.

Dear Academic General Pediatrics Fellowship Applicant,

Thank you for your interest in the Academic General Pediatrics Fellowship at the Children's Hospital at Montefiore and the Albert Einstein College of Medicine. There are four parts to the application.

The **first** part is the Academic General Pediatrics Fellowship common application form. Please complete this form in its entirety.

The **second** part is a one to two page personal statement and curriculum vitae (CV). Please provide the CV and personal statement in separate files. (Save file separately in pdf format. Please title document as "first name last name CV/personal statement").

The **third** part consists of three letters of recommendation. Please list on the application form the names and contact information of three physicians who will send letters on your behalf. The letters of recommendations should be addressed to Suzette O. Oyeku MD, MPH and emailed directly to Dr. Oyeku, Dr. Sylvia Lim, Associate Fellowship Director and Tiffany Rosa, Fellowship Coordinator. Email addresses are provided in the appendix on the application form.

The **fourth** part consists of registering for the Pediatric Fall Specialties NRMP match at <https://r3.nrmp.org/viewLoginPage>. We are participating in the NRMP Pediatric Specialties Fall Match (PSFM).

Please submit the completed application package (application form including list of references, personal statement and CV) electronically to Dr. Lim and Fellowship Coordinator, Tiffany Rosa at: [tgarcia@montefiore.org](mailto:tgarcia@montefiore.org) with the subject line: "Academic General Pediatrics Fellowship Application".

Members of underrepresented, disadvantaged or minority groups are strongly encouraged to apply. Once we have all three parts of your application, we will review the application materials and qualified candidates will be invited for an interview. Our fellowship coordinator will contact you to arrange an interview date.

**Academic General Pediatrics**
